Applicant

Opposition No. 91221227

MOTION TO WITHDRAW AS REPRESENTATIVE

COMES NOW Nicholas D. Wells, Counsel for Applicant and hereby moves this honorable Board to permit Nicholas D. Wells to withdraw as counsel for Applicant as permitted by 37 CFR § 2.19(b).

As grounds for this motion to withdraw, Counsel states that 1. Applicant is unwilling to pay counsel's legal fees to continue this representation; and 2. Applicant has not responded to counsel inquiries for instructions regarding this matter for a period of three months.

Counsel asserts that this withdrawal will cause no prejudice to the rights of Applicant because of the fact that the proceedings have been very recently suspended and the proceedings are still at a stage where Applicant has time to conduct discovery if desired.

Counsel affirms that counsel has notified the Applicant of his desire to withdraw from employment, and has allowed time for employment of another practitioner.

Counsel affirms that counsel has delivered to Applicant all papers and property in counsel's possession that relate to the proceeding and to which the client is entitled.

Counsel affirms that if any part of a fee paid by Applicant to counsel has not been earned, the unearned part has been refunded to Applicant.

WHEREFORE, Counsel for Applicant requests that this Motion to Withdraw as Representative be granted.

Respectfully Submitted,

Dated: February 1, 2016
